### *OESA Announces Online Registration*

OESA announces that members and guests paying for OESA events by credit card may register online at [www.oesa.org](http://www.oesa.org). OESA encourages members and guests to utilize this time saving feature.

To use the system for the first time, click on [www.oesa.org](http://www.oesa.org) select an event, and click register. You will be prompted to log on. Your login and password are:

Login: {member e-mail address}

Password: {member number sent in the personalized merge e-mail}

After registering you will receive a receipt for your transaction, a more detailed confirmation will be sent a few days prior to the event. The OESA website utilizes *Verisign*® to ensure secure credit card processing. *Verisign*® processes credit cards for many on-line retailers.

OESA strongly recommends that members and guests change the password after registering for the first event. OESA will not have access to the passwords members establish. A pdf of the registration form will be available for members submitting payment by check.

If you have any questions or concerns, please send a note to [jdemoff@oesa.org](mailto:jdemoff@oesa.org).
